## This is how you create the Secret Santa scene:

**Step 1: Painting the Secret Santa door**

To make your Secret Santa door shine in the best light, start by painting the door and accessories, such as a signpost and the seats of the sledges, with the craft paints of your choice VBS Craft paints of your choice. Spread the paint evenly and allow it to dry thoroughly before moving on to the next step.

**Step 2: Add details**

You can trace the marked areas of the door with the VBS pearl-Pen. The pearl-pen is ideal for adding raised and shiny details to give your door a luxurious touch. Again, let the paint dry well so that the details don't smudge.

**Step 3: Attach the garlands**

Now take the chenille wire and shape it into enchanting garlands. Stick them around the door, the windows, the fences, the ladder and the letterbox. The chenille wire is easy to bend and form into the desired shape. You can use the pearl-pen to dab small "baubles" onto the garlands to make them look like sparkling jewelry.

**Step 4: Decorate the miniature Christmas tree**

To make the miniature Christmas tree extra festive, wrap a mini-chain of light around it. Carefully fix the cable to the base of the tree with hot glue to prevent it from slipping. You can then use the pearl-pen to place small "baubles" on it again, which reflect the light from the chain and create additional magical effects.

**Step 5: Label the signposts**

To round off your gnome door scene, label the signpost with a marker. color marker are ideal for fine and permanent lettering. Write imaginative directions or witty sayings that will make your visitors smile.

Your magical Secret Santa door is ready and waiting to be discovered at only ! With these small, loving details, your Secret Santa door is sure to be the highlight of the season and provide many happy moments.
