

Wreath with garden miniatures

Instructions No. 3221

Difficulty: Beginner

Working time: 1 hour 30 Minutes

Are you looking for a creative way to spice up your living space or add a personal touch to your door? Then why not try making a **wreath with flowers** and various **miniature decorations**! In these step-by-step instructions, I'll show you how you can create your own unique floral wreath with little effort and lots of fun that is guaranteed to turn heads.

flowers, beads or other creative accessories - let your creativity run wild and design your wreath to suit your taste.

Step 6: Attach the hanging ribbon and butterflies

Finally, attach a pretty loop to your wreath so that you can hang it up decoratively in your home. For the finishing touch, attach delicate butterflies - they give the whole arrangement a lightness and a touch of spring freshness.

A self-made wreath is a wonderful decorative element that you can use all year round. Whether for your own living space or as a personalised gift - the possibilities are endless! Browse through our online shop to purchase the materials you need and start your craft project straight away. Have fun creating your own personalised flower wreath!
