Zentangle motif template

Instructions No. 1233

Treat yourself to some **creative time out from everyday life and** relax with Zentangle **and** Zencolor **!** The **meditative drawing techniques** direct your attention to different **patterns** and bright **colors** and help you to relax in a creative way. Along the way you will create great works of art that you can use for various **decorative purposes** or as **gift ideas**.

Use our practical **Zentangle motif template** at the bottom of the page and create your own work from it!

And it's that easy:

Download the **design template** and print it out

If you wish, you can further design and complete the motif with Zentangle fineliners. The frame can also be used to create **your own Zentangle image** - just fill the centre of the frame with the tangle of your choice.

The template is also ideal for the Zencolor art **: Color** the beautiful motif with colored, **Felt-, or brush pencils colorful** and treat yourself to a break from hectic everyday life!

The finished motif template is perfectly suited as a frame for pictures, decorative lettering, invitations, etc. You can also **use** the pattern for bookmarks **or** self-made cards. The finished image can also be used as an **individual and creative gift idea** for various occasions.
