Transparante sterren vouwen

Instructies Nee. 2893

Moeilijkheidsgraad: Beginners

Werktijden: 2 Uren

Kerstmis is de perfecte tijd om **sterren** te vouwen. Met onze stapsgewijze instructies kun je deze charmante sterren gemakkelijk maken van **transparant papier** en ze vervolgens naar hartenlust versieren. Ze zien er geweldig uit op ramen en als kamerdecoratie.

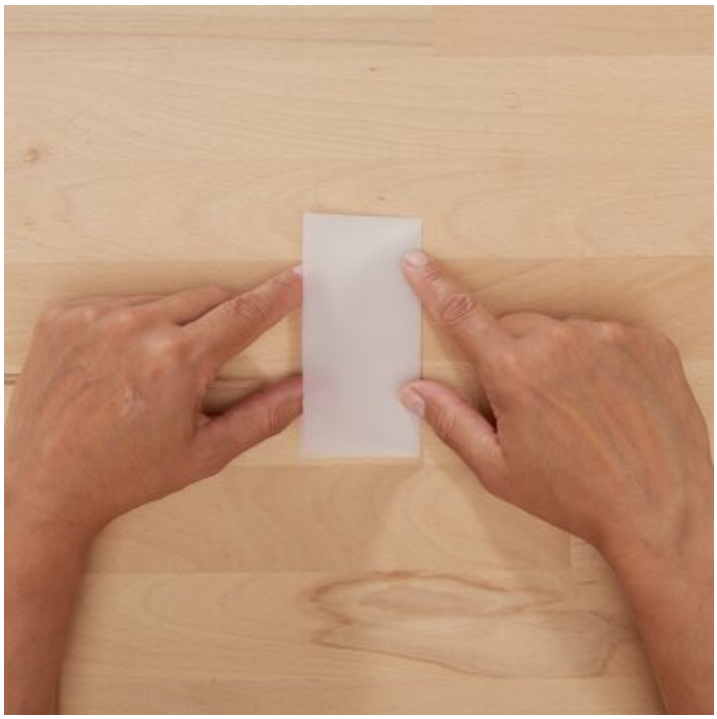

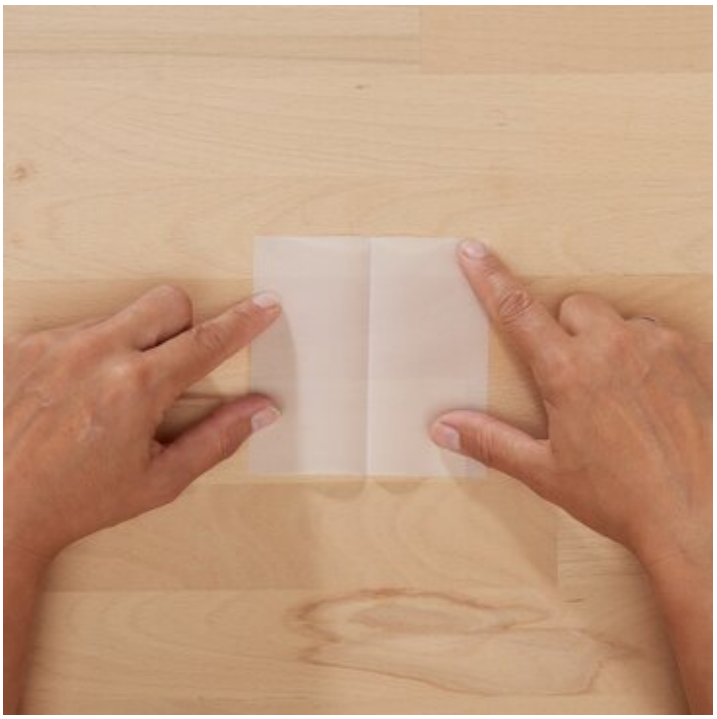

Zo worden de prachtige sterren gemaakt:

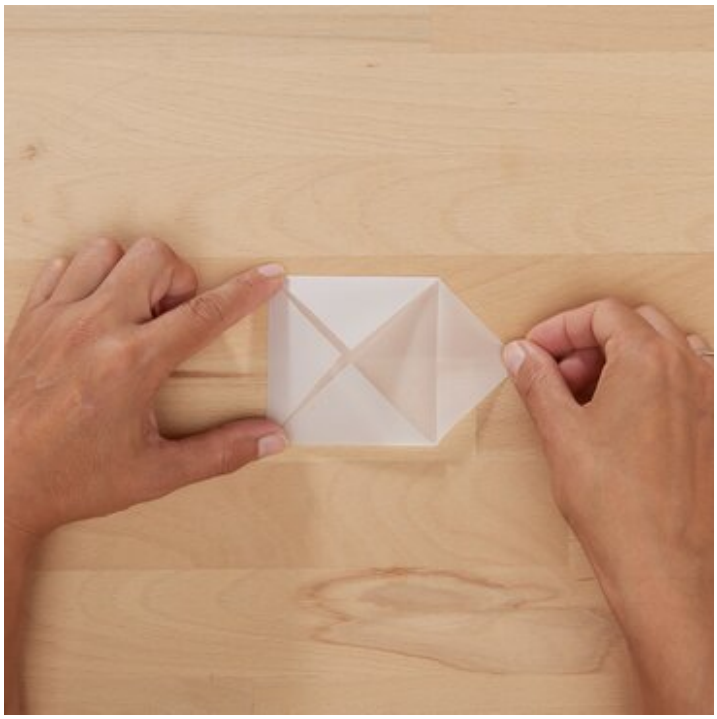

Vouwinstructies voor de verschillende transparante sterren:

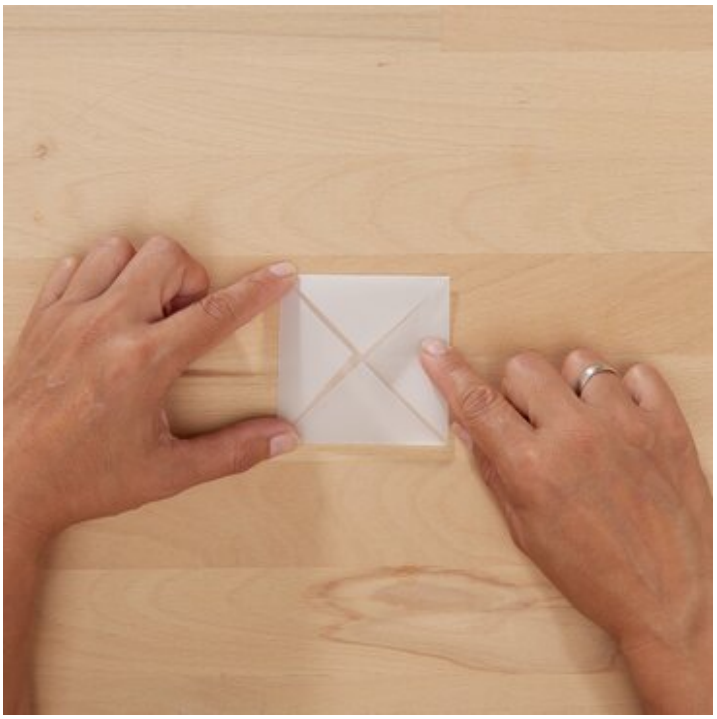

Kies de juiste Papier en volg onze stap-voor-stap instructies:

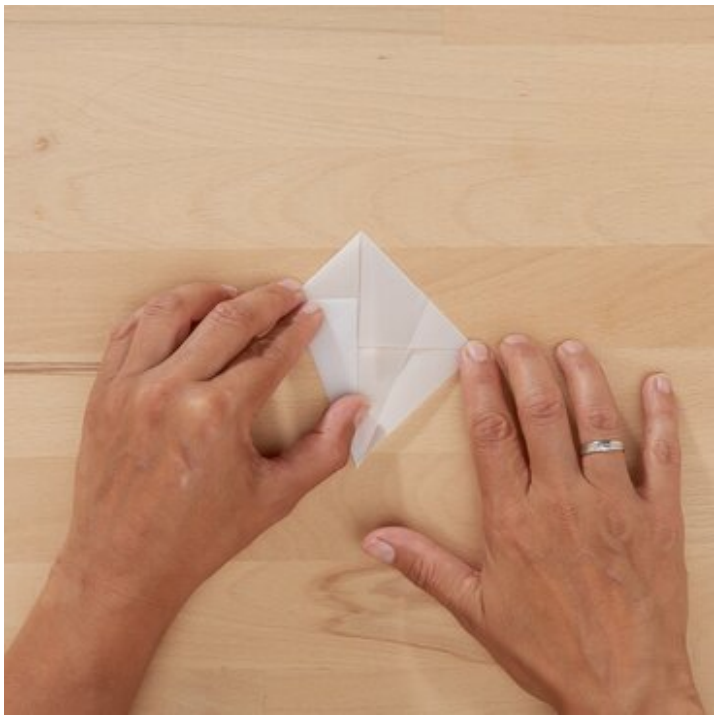

Ster variant 1 "Small" van de 10 x 10 cm papieren:

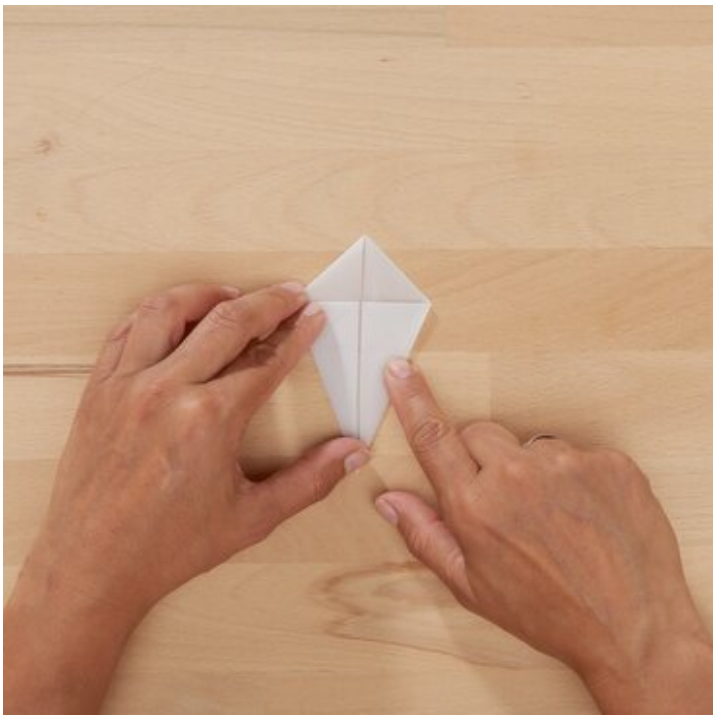

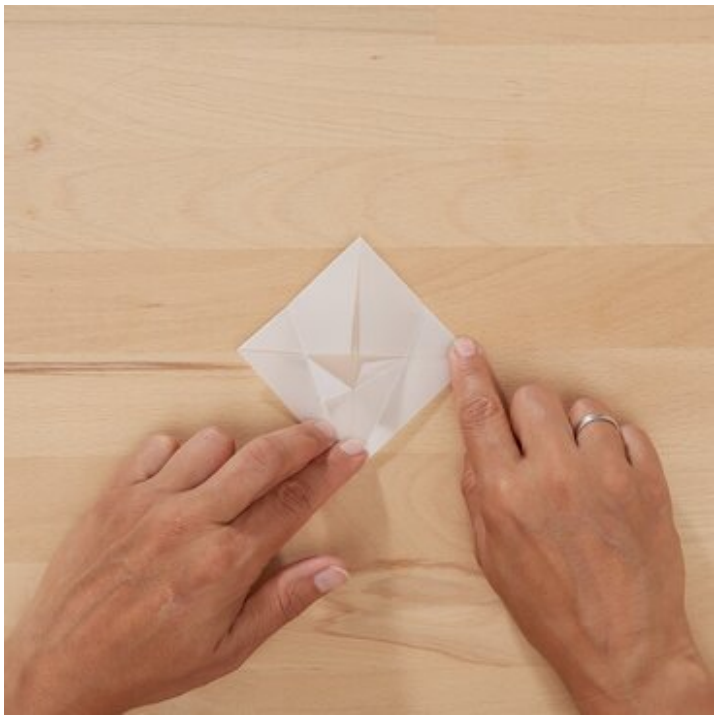

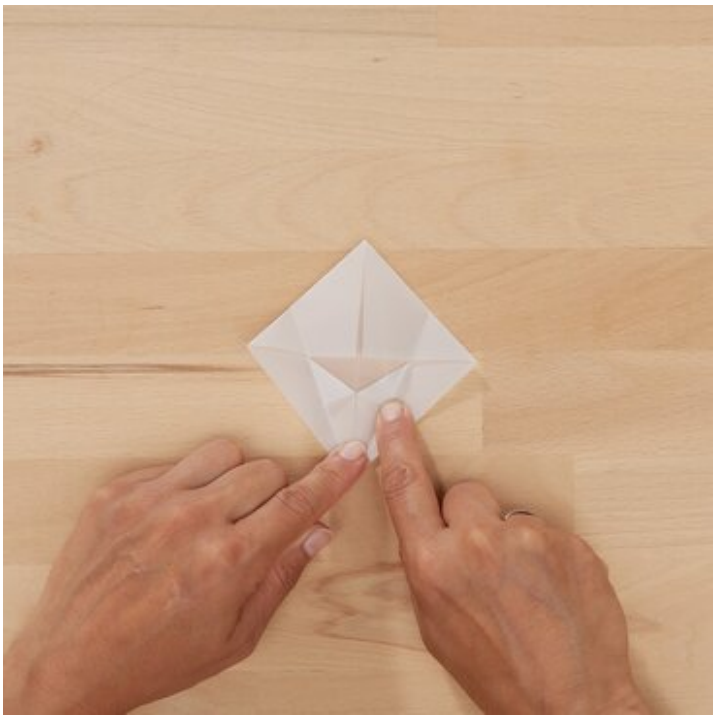

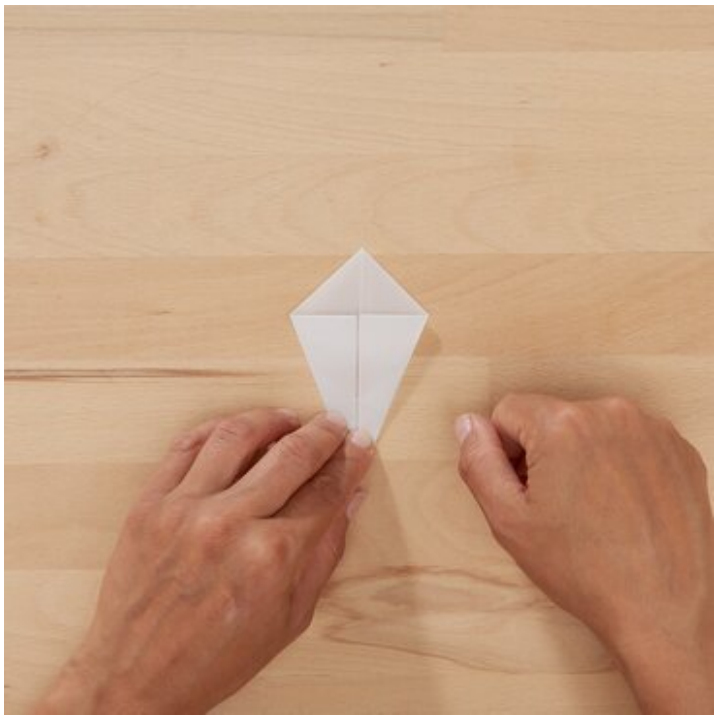

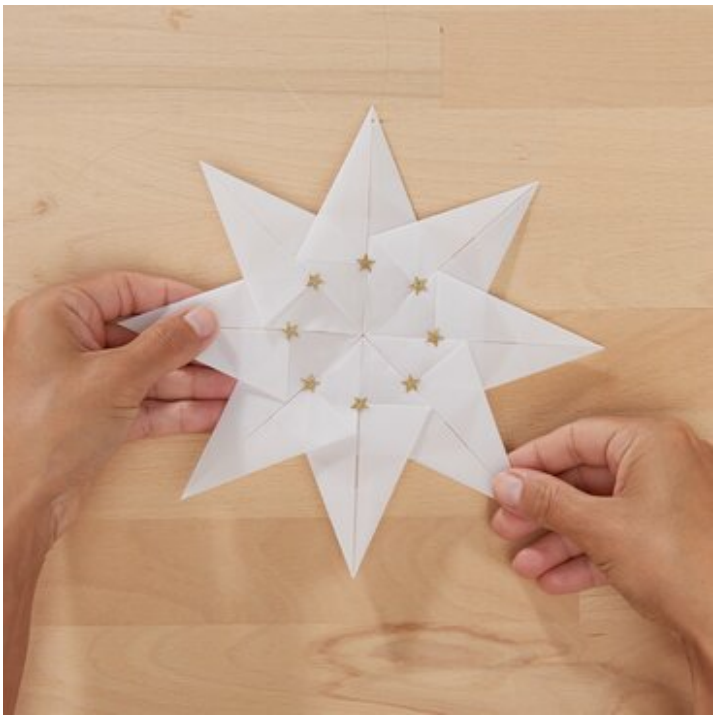

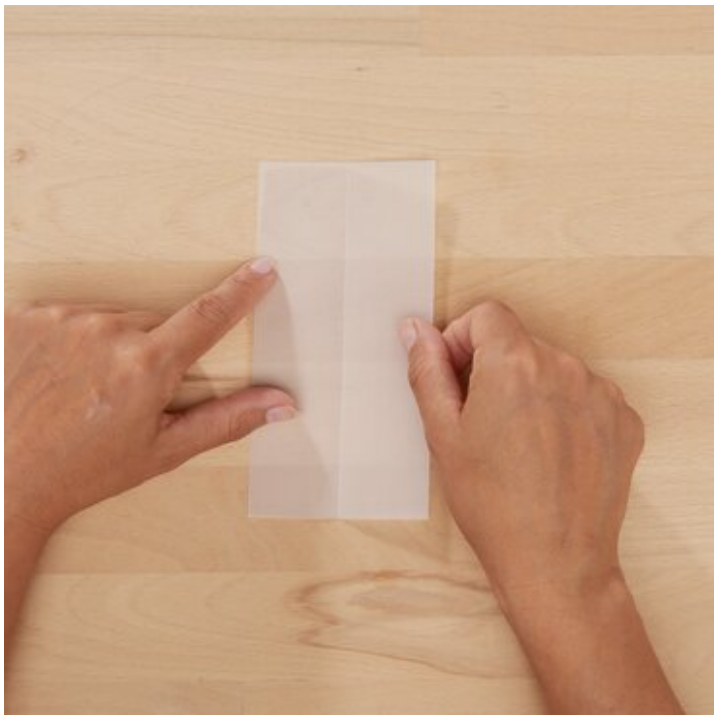

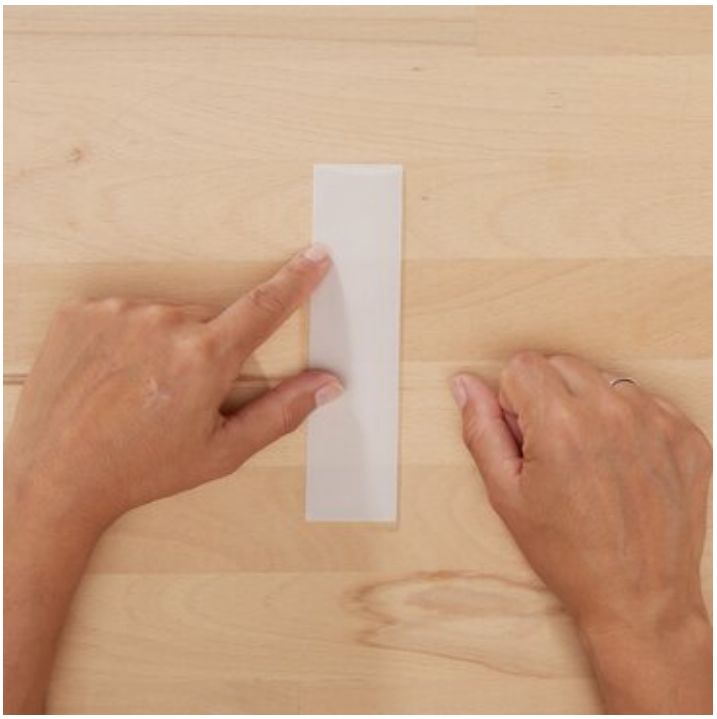

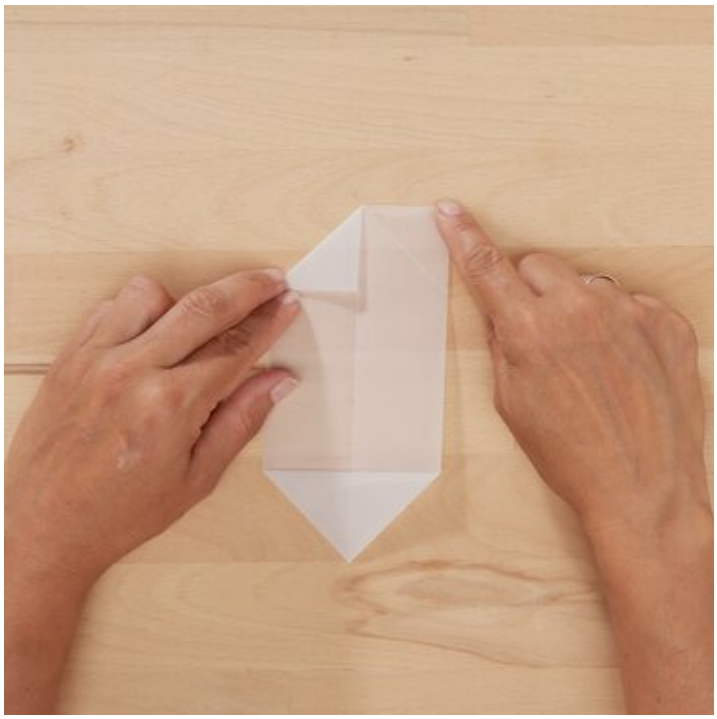

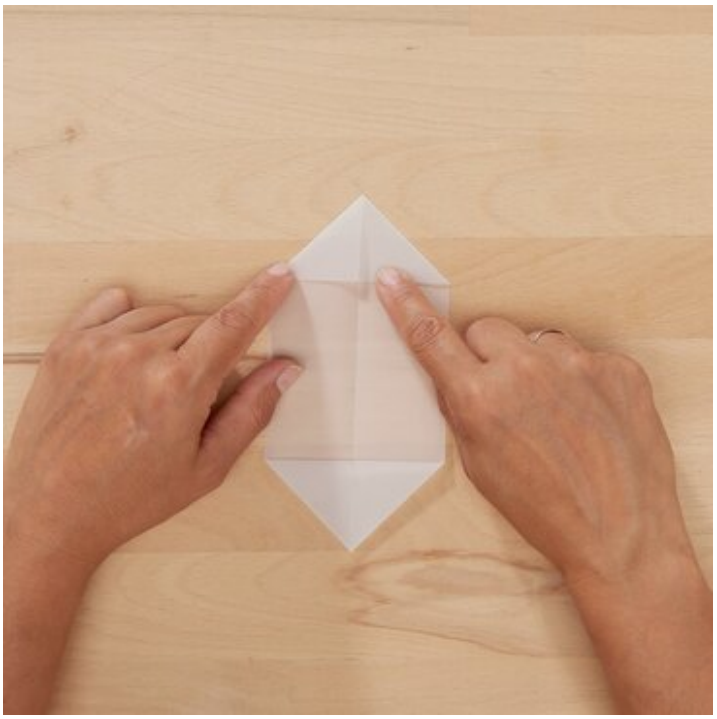

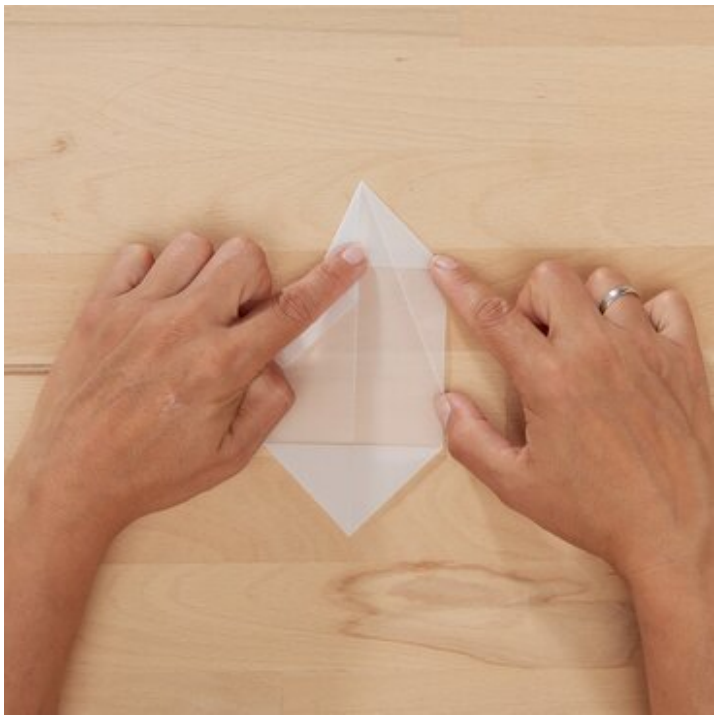

Stervariant 2 "Medium" van het 7,5 x 15 cm papier:

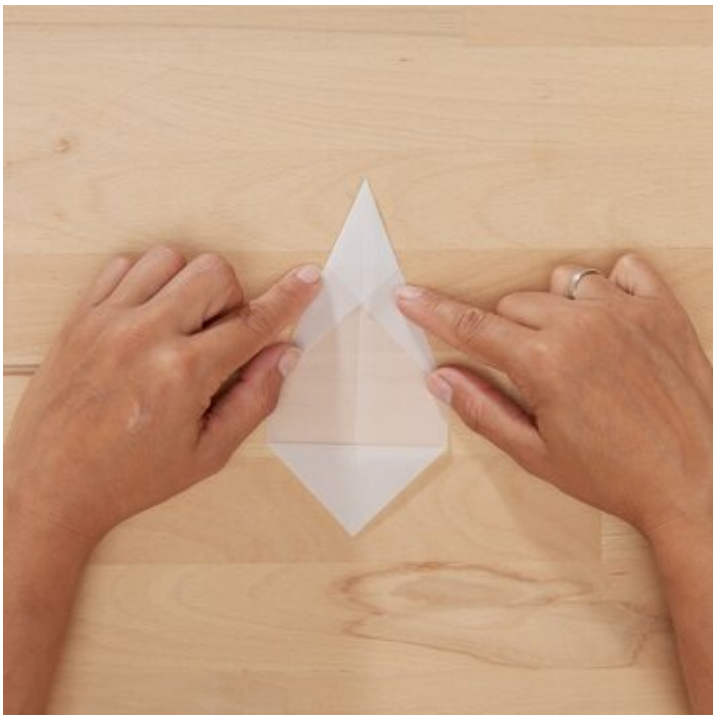

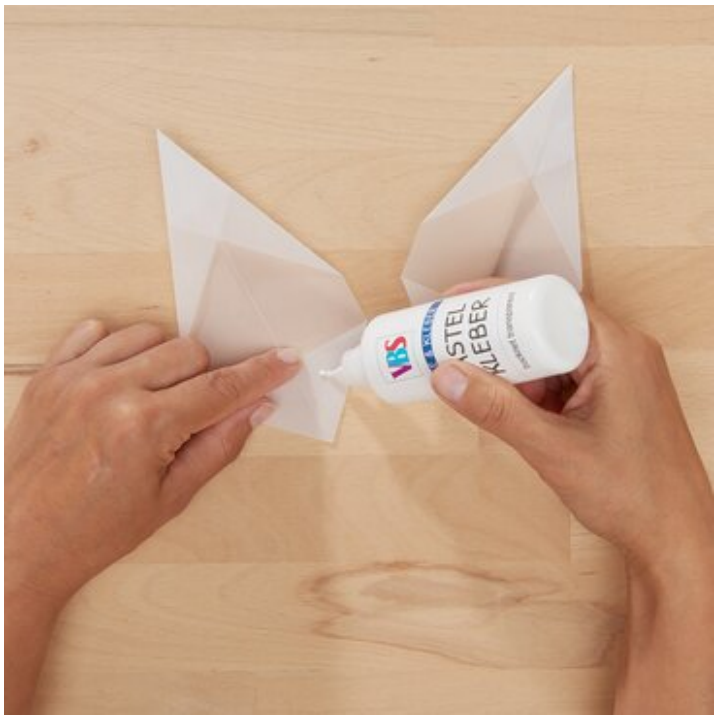

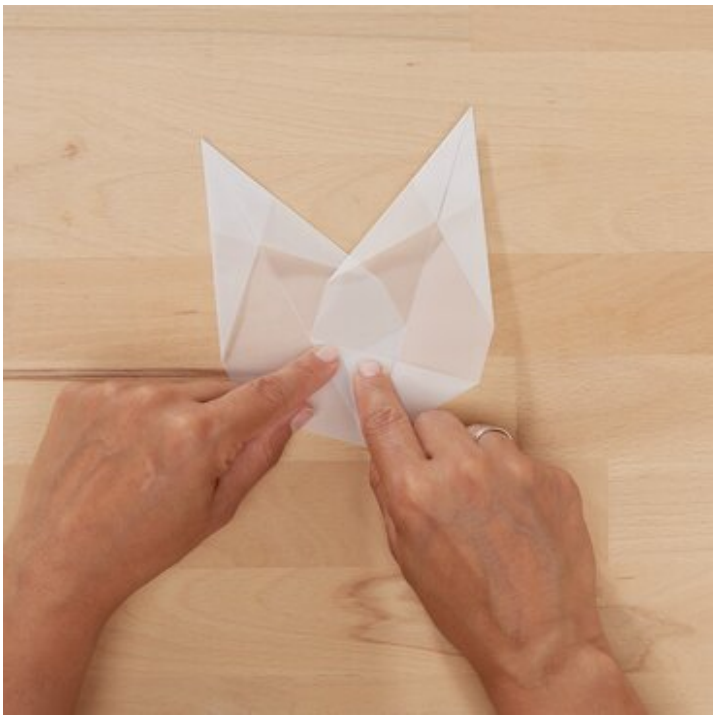

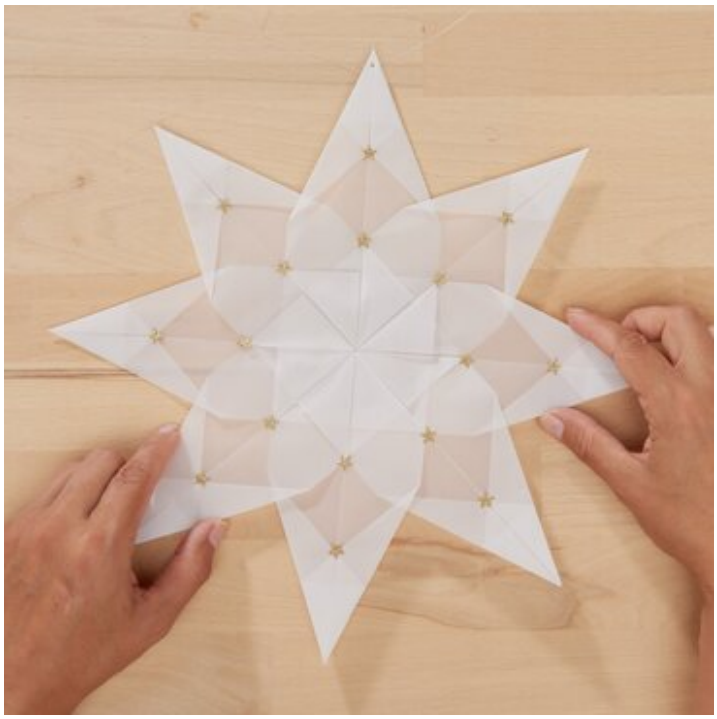

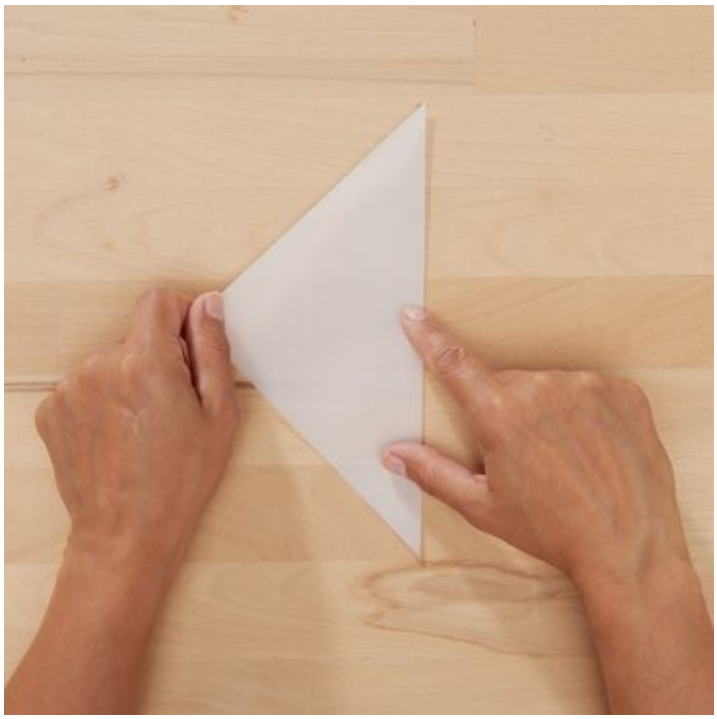

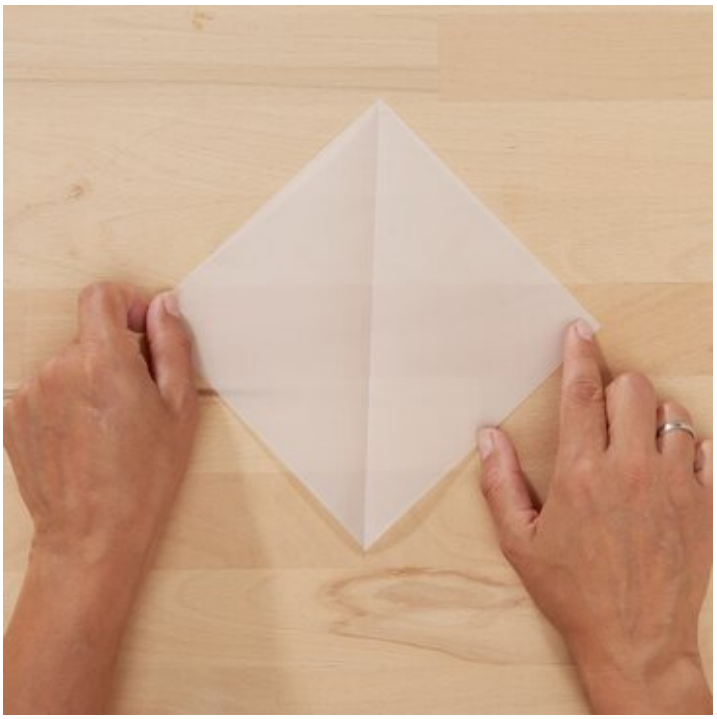

VBS

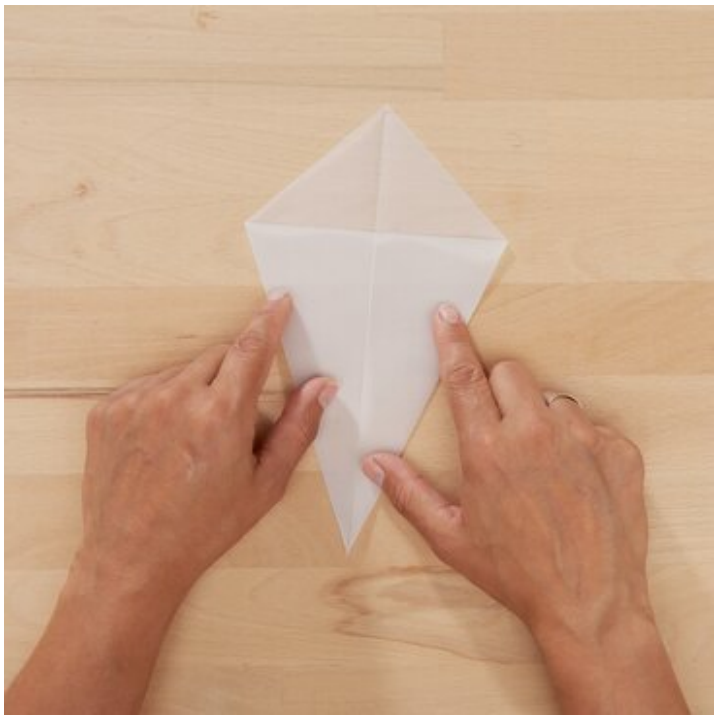

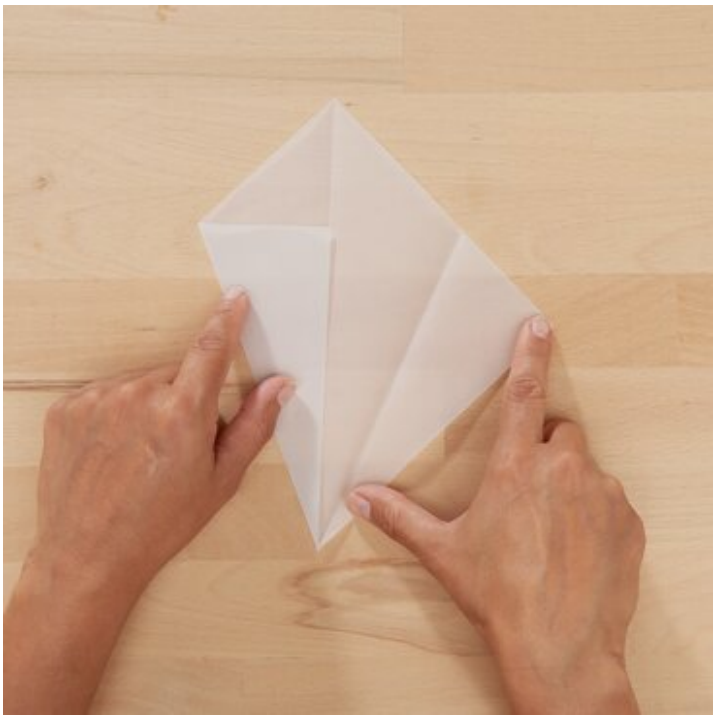

Ster variant 3 "Large" met een kleine ster bovenop gemaakt van de 15 x 15 cm en 10 x 10 cm papieren:

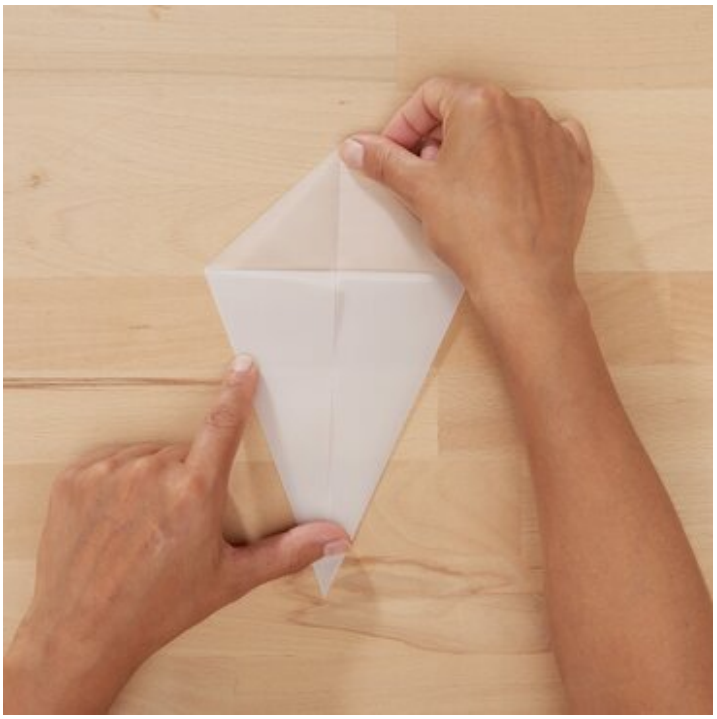

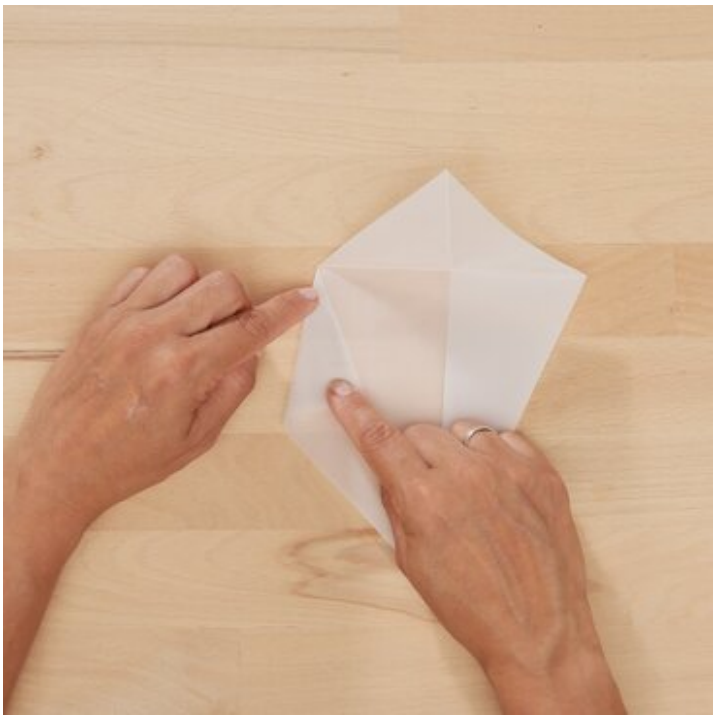

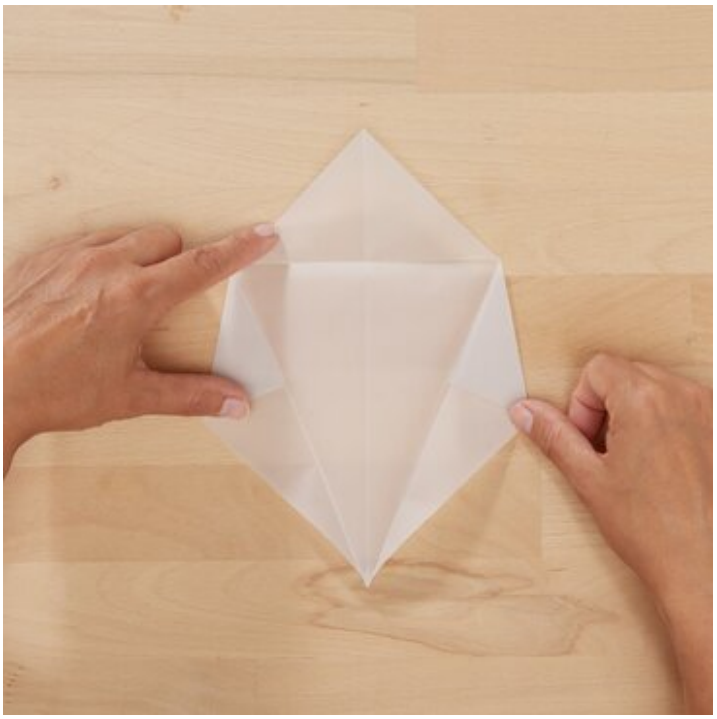

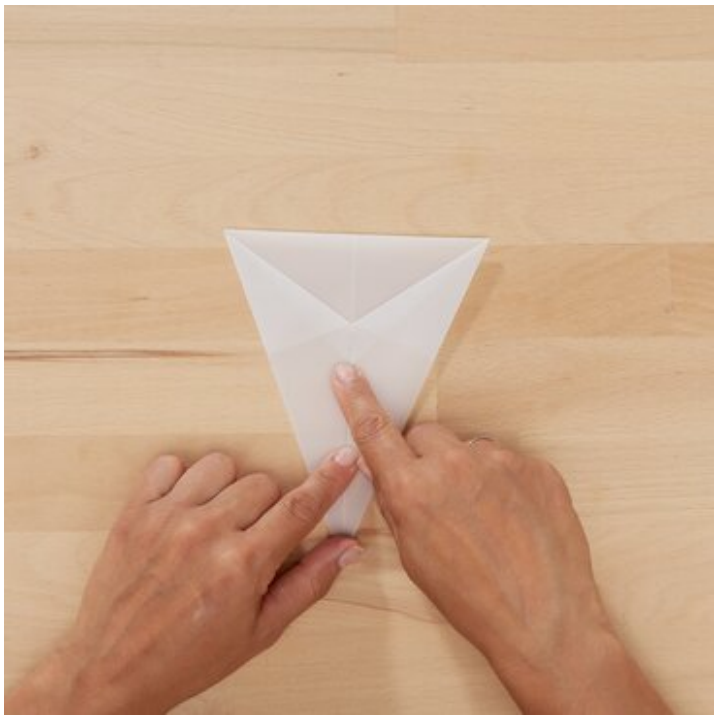

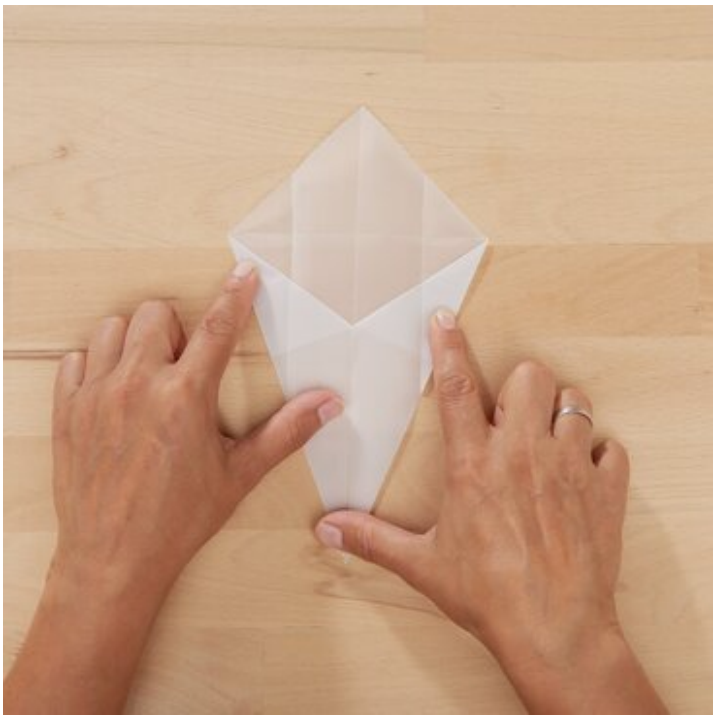

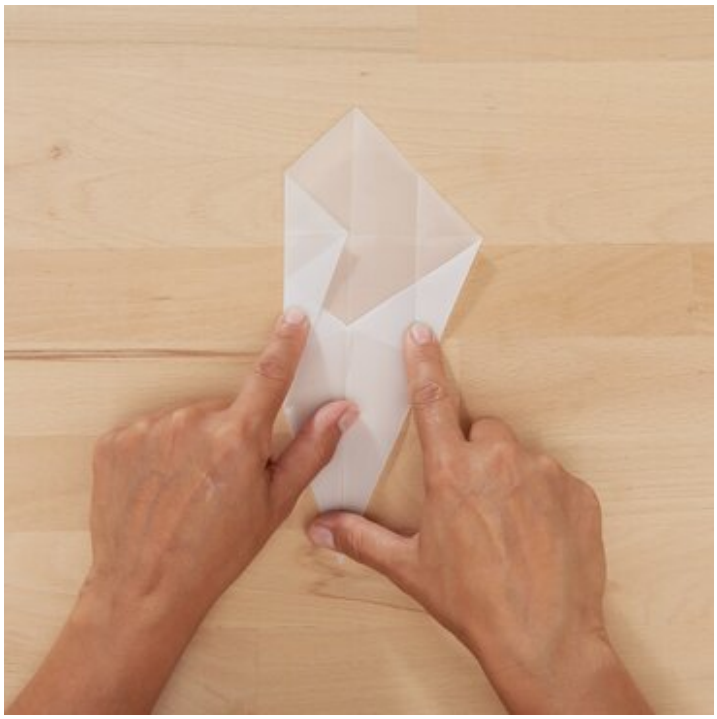

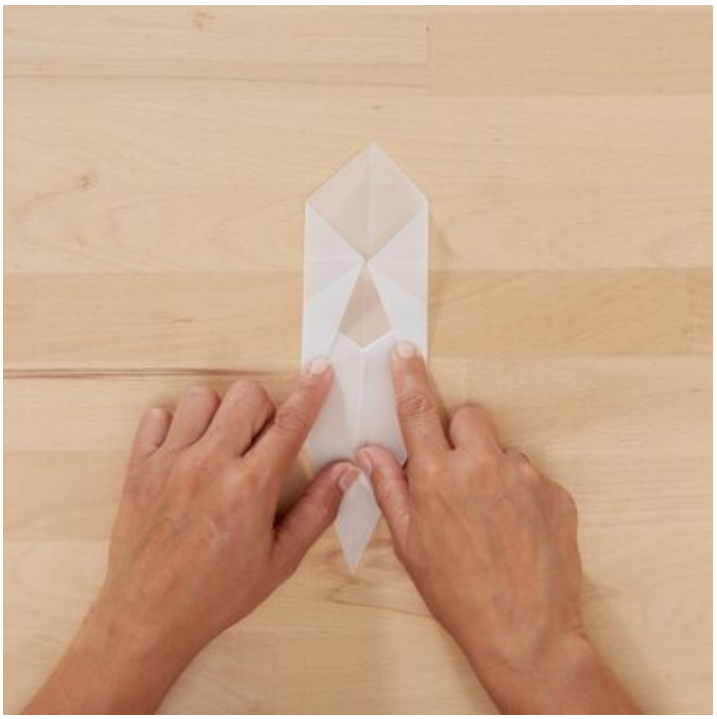

Nadat je de grote ster hebt gevouwen en aan elkaar hebt geplakt, hebben we nog een kleinere ster gevouwen en op de grote ster geplakt.

Versieren en ophangen:

Versier de afgewerkte sterren met de stickers. Gebruik de perforator om een gat te maken voor de ophanging en haal het nylondraad erdoor.
